Women in Levity

Date and Time: Thursday, September 14 6:00 pm - 8:00 pm

Address: 300 Main Street South, Kenora

Women In Levity is a personal and professional development event to bring women in Kenora together. The event will be hosted at The Muse and provide an opportunity to learn from women in the community through a presented keynote and panel discussion, and include networking over light bites and cold drinks.

The intention of the event is to connect more deeply and broadly with the Kenora community. Your host, Kirsten Schmidtke, grew up in Southern Ontario but she was raised as a local on the lake and calls Lake of the Woods her heart home. Her time at the lake helps her to find balance and perspective, and over the years has found inspiration from the women in this community who are up to great things!

Take time for yourself, commit to your personal and professional growth, and experience more confidence to show up as yourself in work and in life. Join Women In Levity here: <https://lu.ma/womeninlevity-kenora>.

Test Your Smoke Alarm Day

Date and Time: Thursday, September 28 12:00 am

Address: 100 Fourteenth Street North, Kenora

Saved by the Beep! Thursday, September 28, 2023 is Ontario's first Test Your Smoke Alarm Day. City of Kenora Fire and Emergency Services will be taking part of this important fire safety campaign.

All Ontarians are encouraged to learn more about smoke alarms, fire safety, and home fire escape planning, which could save you and your loved ones. Most importantly, we want you to test your smoke alarms! Having working smoke alarms won't just save your life – it's the law.

The City of Kenora Fire and Emergency Service is excited to announce a special contest to promote fire safety awareness within our community and Ontario's first Test Your Smoke Alarm Day. We invite all homeowners to participate in the #SavedByTheBeep contest.

To enter the contest, simply follow these steps:

1. Test your smoke alarm: Ensure your smoke alarm is in proper working order by testing it following the manufacturer's instructions.
2. Capture the moment: Record a short video or take a photo of yourself or someone in your family testing your smoke alarm.
3. Submit your video or photo on [Kenora.ca](https://kenora.ca); or
4. Tag [City of Kenora Fire and Emergency Services](#) and include the hashtag #SavedByTheBeep in your caption or comments to help us track all the entries.

We will be awarding prizes to the most creative, inspiring, and informative entries that effectively highlight the importance of having a functional smoke alarm in every home. Winners will be selected by a panel of judges from the City of Kenora Fire and Emergency Services.

Contest submissions will be accepted until Monday, October 2. Winners will be notified via social media and announced on Saturday, October 14 at Fire Station One. Entries will be published on the official City of Kenora Fire and Emergency Services Facebook.

Every home in Ontario is required by law to have working smoke alarms on every storey and outside all sleeping areas. For added protection, install working smoke alarms in every bedroom.

Campaign partners: Ontario Professional Fire Fighters Association, Ontario Association of Fire Chiefs Ontario, Municipal Fire Prevention Officer's Association, Nation Fire Protection Association, Fire Marshal's Public Safety Council, Office of the Fire Marshal Ontario, Association of Fire Educators
