Ride The Wave Launch Day

Date and Time: Tuesday, October 15 7:00 am - 7:00 pm

Address: City of Kenora

Kenora's new flexible, affordable, on-demand microtransit service, The Wave, hits the road on Tuesday, October 15.

Starting at 7 a.m., hop on board for just \$2.50 per ride! To celebrate our launch, we're offering three free one-way rides throughout October. It's time to ride [The Wave](#) and discover a new way to travel to work, the grocery store, your favourite restaurant, local downtown shops, personal appointments, and more!

[Download The Wave app today](#) and be among the first to experience the new ridesharing service that will transform how our community gets around the city!

What is on-demand microtransit?

Microtransit is an upgraded model of transportation that collects trip requests and groups passengers into shared rides, in real-time, allowing riders to book and pay for on-demand rides online or by phone. Travel corner to corner with ease. Book a ride in just a few taps.

The app's intelligent algorithm will match riders headed in the same direction into one shared vehicle. Riders are directed to a "virtual stop" near their pickup and drop-off location, which minimizes detours and keeps the trip efficient for everyone.

What you need to know about The Wave

- The service is offered at an affordable rate of \$2.50 per ride, per person.
- The service will run from Monday to Friday 7 a.m. to 7 p.m., excluding statutory holidays.
- Book a ride using [The Wave app](#) or call 1-866-515-6664.
- Two vehicles are wheelchair accessible with rear-loading ramps. All drivers operating these wheelchair accessible vehicles (WAV) are trained and certified in wheelchair securement. Simply indicate "Wheelchair accessibility" on the app, and we'll provide curb-to-curb service rather than the standard corner-to-corner service.
