### Kenora District Housing Strategy Open House

Date and Time: Monday, October 4 12:00 p.m. - 1:00 p.m.

Event Location: 18 Mike Richards Way, Kenora

Housing is a top priority for the Kenora District Services Board and is vital to achieving our economic growth potential. That's why we are developing a Regional Housing Strategy for the Kenora District.

Monday, October 4, 2021

12 to 1 pm

Kenora Recreation Centre, Rotary Room

We want to hear about your experiences and ideas for housing. Please stop by our open house meeting anytime between 12pm and 1pm to learn more about the Kenora District Housing Strategy and to share your thoughts.

The strategy will focus on the Kenora District as a whole, and identify specific strategies and actions for each of our municipalities. The goal is to ensure everyone can access safe, good quality housing, regardless of their race, ethnicity, gender, age, income, and ability. This includes youth to seniors, singles to large families, seasonal workers to full-time residents, and people experiencing homelessness to high-income earners.

## Thursday, October 7, 2021

---

### Household Hazardous Waste Depot

Date and Time: Thursday, October 7 09:00 a.m. - 2:00 p.m.

Event Location: Transfer Station at 401 Mellick Avenue, Kenora

You can safely dispose of household hazardous materials (HHW) at the City of Kenora Transfer Station free of charge. Hazardous wastes are defined as reactive, flammable, corrosive, poisonous and otherwise potentially dangerous materials. This is a free once-a-week service!

**The depot is closed on September 30. October 7 is the last HHW depot day for the season.**

**Open 9 am to 2 pm**
