Kenora Science Festival

Date and Time: Monday, September 18 09:00 am - 5:00 pm

Address: 24 Main Street South

Hosted by Science North, the Kenora Science Festival is an annual week-long celebration that shines a light on the science and technology happening in Kenora. With events and activities happening across the city and a Science Carnival to wrap up the week, The Science Festival fosters a vibrant space for community members and organizations to provide people of all ages with STEM entertainment. The exciting week of events, vendors, science shows, and activities celebrates local businesses, drives community pride and fosters connections across Kenora.

The Kenora branch will be participating by having a pinwheel helicopter craft and a Colour Sorting STEM activity available all week long, as well as a booth at the Science Carnival on Saturday, September 23rd from 11:00 am to 4:00 pm.

Saturday, September 23, 2023

Science Carnival

Date and Time: Saturday, September 23 11:00 am - 4:00 pm

Address: 24 Main Street South

As part of Science North's Kenora Science Festival we will be taking part in the Science Carnival under the Jarnel Contracting Pavilion. There will be different vendors offering a wide selection of science related activities and we will be there with the Ozobots! We'll see you there!
